

Quince is looking for you

Junior Graphic Designer

Our company

Quince is a one-stop digital and retail activation agency.

Our passion is to build branded e-learning platforms with premium quality creative content with the use of gamification techniques to engage our clients' sales staff and help thousands of users worldwide to keep their knowledge up-to-date.

We also take care of branding, UX/UI design, AR, VR, VFX, interactive products and software development for major international brands from the Consumer Electronics, Healthcare and Telecom industries.

Quince is a unique, people-oriented company, which is reflected in loyal clients. Passion in your work, challenging yourself, taking responsibility, respect, having fun and exceeding expectations are core values.

Quince continuously invests in personal growth and in the latest technologies. More than 70 employees of various nationalities work at the headquarters in Amsterdam and in the Budapest office.

For more information about us, please visit our website on www.quince.hu.

Job function

As a Junior Graphic Designer, you will put your skills into practice with a team of digital designers and web developers to deliver world class digital content and retail communication platforms, tools and innovative e-learning solutions for global accounts.

Your task is to create engaging designs according to specifications, to participate in various design projects from concept to completion, to produce drafts, prototypes and content solutions and to listen to feedback to hone skills and improve design. Your contribution will add value to the team and the end product, directly impacting our customer satisfaction and profits.

Things you should have

- Minimum 1 year of proven work experience
- Good working knowledge of design tools (Adobe/Figma/Sketch)
- Good command over design techniques and visual elements
- Up to date knowledge of the latest design trends
- A good portfolio of past design and creative projects.
- A passion for creating stunning visuals for a range of clients
- Strong organizational and communication skills
- Creative flair and a good eye for detail
- Ability to work well within a team
- Time management and multitasking abilities
- Creativity skills and problem-solving aptitude
- Good spoken and written English level

Things, that make us happy

- BSc/BA in Design or a related field
- Ability to work in Agile environment
- Experience with Figma
- An understanding and familiarity with UX/UI design
- Experience in a digital agency

Our offer

Quince has an open and stimulating company culture and barely knows hierarchy. You will be working in the nicest area of Budapest, in a convenient city center location with a magnificent view over the Danube and the Buda hills, in a cozy office with great people. Work-life balance is a core component of our culture and we offer a competitive salary package and benefits.

How to apply

Please send us your CV with portfolio to info@quince.hu (with the 'Junior Graphic Designer' subject).
